## **Preliminary Assessment**

### **What we will need from you**

When we provide you with credit assistance, we must only recommend credit products that are not unsuitable for you.

To be able to determine which loan products are not unsuitable, we are required to complete a Preliminary Assessment. When we make this preliminary assessment, we determine:

- your requirements and objectives – that is, what kind of loan do you want, and for what purpose;
- your financial and relevant personal situation; and
- your ability to repay the loan that you are considering.

In assessing these factors, we are also required to take reasonable steps to verify some of the information you provide us.

This verification may include:

- asking you for copies of documents that demonstrate your financial situation – in some cases we may also need to sight original documents; and
- contacting third parties to assist in verifying the information that you provide.

### **Obtaining a copy of your Preliminary Assessment**

If we haven’t already provided it to you, you may request a copy of our Preliminary Assessment, and we must give you a copy of it:

- at any time during the first 2 of years of completion of the assessment, within 7 business days; or
- between 2 years and 7 years after it was conducted we must provide it within 21 business days.

There is no charge for requesting or receiving a copy of the Preliminary Assessment.

### **How do our Representatives get paid**

We are paid commissions by lenders for introducing customers. The lenders we deal with will usually pay us a commission based on:

- the size of loan; and

- the particular loan product you have selected

We will only be paid this commission if your loan is settled and drawn down.

We may also be paid an ongoing commission by your lender based on the outstanding balance of your loan.

The commissions that we are paid by your lender are not payable by you – they are paid to us either directly by the lender, or paid to us by our Aggregator.

If you would like a detailed estimate of how much commission we would be paid by a particular lender for a particular product, we will provide this for you. We will also provide you with a detailed explanation of how this commission is calculated.

Certain lenders may also pay us a bonus based on the amount of business that we introduce to them. The lenders that currently have such arrangements with our Aggregator are:

As Licensee Connective Credit Services Pty Ltd may retain a portion of the commission paid by the lender you choose. This payment is paid to the licensee in exchange for the right to operate under the Licensee's licence, and for providing other assistance with business.

If you would like an estimate of what Ian Macdonald will be paid, and how it is calculated, please don't hesitate to ask and we will provide you with that information.

## **Fees and charges that are payable by you in relation to our credit assistance**

We do not charge a fee for our services.

## **Our Top 6 credit providers**

We source credit products from a range of banks, lenders and other credit providers. However, at present, we write the most loans with the following banks, lenders and other credit providers:

- 1) Bank of Melbourne / St George Banking Group
- 2) NAB Broker
- 3) ING Direct
- 4) Macquarie Bank Limited
- 5) ANZ
- 6) AMP Banking

If you would like further details about any of these lenders, please don't hesitate to ask us.

## **Other people we deal with**

### **Our Aggregator**

In many cases, we gain access the loan products we recommend to you through the services of our Aggregator. In order to gain access to their panel lenders, our aggregator charges us a fee. This fee may be made up of several different components, including:

- a share of the commission that is paid by a lender as set out above
- a membership fee for our business

- a monthly fee for each of our accredited loan writers

If you would like us to provide an estimate of the share of the lender commission that may be retained by our aggregator, and how it is worked out, we will be pleased to provide this to you.

### **Referrers and Referral fees**

In some cases, your business may have been referred to us by non-regulated third parties such as real estate agents, accountants, financial planners etc. Where this is the case, we *may* pay a referral fee to these parties. If we do pay a fee to these parties, then

- they should already have told you about this; and
- we will either disclose the actual fee in our final documentation

Alternatively, if you want to know, you can ask us about the fees and we will tell you how much was paid and how it was worked out.

### **Dispute resolution and complaints**

Whilst we always strive to provide the best possible service, we understand that there may be times where you are not satisfied. If this occurs, and you wish us to do something about it, we have a formal process in place to address your concerns.

#### **Internal Dispute Resolution**

If you do have a complaint, please contact the Complaints Office using the details at the start of this document. If you choose to contact us by email, please make sure you include as much information as you can.

You should explain the details of your complaint as clearly as you can. You may do this verbally or in writing. When we receive a complaint, we will attempt to resolve it promptly.

#### **External Dispute Resolution**

If you are not satisfied with how we have handled your complaint, you may make a formal complaint to our External Dispute Resolution Scheme Provider. The details of our EDR Scheme membership are set out at the start of this Credit Guide
